Re: Your case file no. 573/2014

Dear Mr. Kurteshi:

Thank you for your inquiry dated 16 January 2015 with respect to Referral KO 155/14.

Please be advised that, although I was present in the Constitutional Court of the Republic of Kosovo when Referral KO 155/14 was considered and decided by the Court, I did not participate in the deliberations or decision of the Court because I had previously recused myself from participating in the deliberations and decision of the Court with respect to that referral.

In this regard, please find enclosed and attached a copy of a document verifying that I did not participate in this Referral.

Respectfully,

**Robert Carolan**

Please be advised that although I was present in the Court when Referral KO 155/14 was filed and discussed in the Court, and I have reviewed the Referral KO 155/14 as well as the preliminary report of the reporting judge, **I cannot recommend whether Referral KO 155/14 is admissible or inadmissible** because I am required to recuse myself from participating in the deliberations in this case pursuant to the attached letter.
